### **Concealed Carry Policy and Procedures**

Holders of concealed carry permits valid per Maryland law are authorized to conceal carry on Chapter property in accordance with the below directives.

1. Your firearm must always remain concealed.
2. When wearing on your person, clothing should be appropriate and loose so that the firearm outline is unnoticeable, and nothing can be displayed below or outside of the clothing cover garment (including holsters) in accordance with Maryland law.
3. If you intend to shoot a concealed firearm at the pistol range, you must advance plan and ensure it arrives on Chapter property unloaded and inside a case or closed/latched container (range bag, backpack, etc.). An unloaded, holstered firearm must be placed inside a closed/latched container.
4. Persons are not permitted to show their concealed firearm, holster, or other concealed carry equipment (e.g., spare magazines/speed loaders) to others.
5. Be aware of Maryland State Park and Chapter property boundaries; concealed carry is prohibited in Maryland State Parks.
6. Concealed carry of a loaded firearm is prohibited in chapter house designated classroom areas (e.g., lower/upper chapter house) during instructional events where unloaded firearms are displayed or used for training and demonstration (e.g., NRA classes, chapter range training classes, MD Hunter Safety Training). All live ammunition is prohibited inside designated classroom areas when firearms are being used for instructional/demonstration purposes.
